

CUSTOMER CARE TEAM
EXPERTISE THAT MAKES THE DIFFERENCE

OUR MISSION

OPTEL's Customer Care Department is committed to delivering high-quality, value-added programs and services to enhance the customer experience while maximizing your productivity and return on investment.

We offer a complete portfolio of services and products in collaboration with OPTEL's Project Management teams and your local Account Directors.

Our innovative Service-Level Agreement offer includes phone, email and remote assistance with many options, such as Virtual Tech Support using the cutting-edge smart-glasses solution.

Other programs include on-site production support, personalized training and spare-parts packages. OPTEL cares about building strong partnerships with its customers, which is why our dedicated team is 100% committed to delivering customer satisfaction with a personalized touch.

**ON-SITE PRODUCTION SUPPORT, TRAINING, SPARE PARTS
AND AN INNOVATIVE SERVICE-LEVEL AGREEMENT –
